

**FIRST AMENDMENT TO THE INTERGOVERNMENTAL AGREEMENT
FOR PIKES PEAK RURAL TRANSPORTATION AUTHORITY FUNDED CAPITAL
PROJECTS AND MAINTENANCE PROGRAMS**

This Intergovernmental Agreement, dated for reference the 1st day of January, 2005, and amended and restated February 14, 2007, is made by and between the Town of Green Mountain Falls, a Colorado municipal corporation (the "Town") and the Pikes Peak Rural Transportation Authority, a political subdivision of the state of Colorado ("PPRTA") (alternatively the "Party" or "Parties). The Parties Agree as follows:

SECTION 1 - AUTHORITY:

This Intergovernmental Agreement is made under authority of Colorado Constitution, Article XX, Section 6; Colorado Constitution Article XIV, Section 18; Section 29-1-203 C.R.S.; the Rural Transportation Authority Law, and the Intergovernmental Agreement among El Paso County, Colorado, the City of Colorado Springs, the City of Manitou Springs, and the Town of Green Mountain Falls for creation of the Pikes Peak Rural Transportation Authority (the "Establishing IGA").

SECTION 2 - PURPOSE:

The purpose of this Intergovernmental Agreement (the "IGA") is to provide PPRTA and the Town with a mechanism for the expenditure by the PPRTA of PPRTA funds for PPRTA funded capital projects and PPRTA funded maintenance programs within the boundaries of the Town, in accord with the Establishing IGA.

SECTION 3 - INTERGOVERNMENTAL AGREEMENT TERM:

The term of this IGA shall be deemed by the Parties to have commenced at 12:00 a.m. on the 1st day of January, 2005 and shall automatically renew at 12:00 a.m. each January 1 thereafter, unless sooner terminated per the provisions of this IGA or by written agreement of the governing bodies of the Parties.

SECTION 4 - EXPENDITURES:

The expenditures and fees of each Party are deemed to be the expenditures of that Party. The Parties to this IGA agree that the purpose of this IGA is to jointly accomplish pursuant to C.R.S. Section 29-1-203 activities that could be performed separately by each Party. Accordingly, it is agreed and understood for purposes of the Colorado Constitution, Article X Section 20, that any funds contributed, paid, or otherwise provided by any Party to this IGA to another Party to this IGA are and remain an expenditure of the contributing, paying, or otherwise providing Party, and are not revenue or expenditures of the receiving Party.

SECTION 5 - CAPITAL PROJECTS AND MAINTENANCE PROGRAMS

5.1. Capital Projects.

5.1.A. Annual Designation of Capital Projects and Appropriation of Funds: Prior to March 15, 2005 for the calendar year 2005, and thereafter prior to December 31 of the preceding year for each calendar year beginning with year 2006, the Town shall submit to the PPRTA Board of Directors (the "Board") for approval a proposed annual budget for the capital project sponsored by the Town from the capital project list in the RTA Roadway Capital Project List – Revised 12/10/04. In connection with submittal of the proposed annual capital project budget, the Board may request additional information on the capital project. Subsequent to Board approval, an approved annual budget and or an approved capital project budget may be adjusted by the Board if so requested by the Town. The Board, after consultation with the Town and other PPRTA members, shall determine the order of all PPRTA capital projects and shall appropriate and budget such funds as the Board has determined necessary for the performance of the capital projects, in accord with the Establishing IGA for the performance of capital projects, and shall record the budget for each capital project in a separate capital project designation within PPRTA's financial accounting system. Each PPRTA approved annual budget shall become a part of this IGA as an attachment. On or before approval of the capital project construction contract for individual capital projects, the Town shall submit to the Board for approval the design description for that particular capital project.

5.1.B. Costs: The Parties agree that all costs of capital projects undertaken by the PPRTA and the Town authorized under this IGA and pursuant to Section 5.1 of the Establishing IGA are PPRTA costs and shall be funded solely with PPRTA revenues, except to the extent any capital project may be partially funded by Town funds, federal or state funds, or other funds received by the Town. The Parties agree that the Town shall provide initial administration of all claims pertaining to PPRTA-funded Town capital projects and against the Town and/or the PPRTA. The Town shall not hereby indemnify the PPRTA nor is the Town empowered to defend or control the PPRTA's defense against such claims, which control shall remain in the PPRTA and its insurer as appropriate. The Parties further agree that payment of any legal defense costs and any judgments, fines, settlements, or fees whatsoever levied pursuant to performance of this IGA are the responsibility of the party lawfully held responsible for them. To the extent that any or all of the PPRTA, the Town, and or the other entities in the Establishing IGA

are lawfully held responsible for any such liability, the PPRTA Board may work together with the Town and the other entities in the Establishing IGA to equitably allocate said liability against the Town's and the other participants' capital projects, both current and future, or the Board may allocate such liability solely against the Town, or in the case of a multijurisdiction capital project, against all liable jurisdictions. All funds expended for capital projects under this IGA pursuant to Section 5.1 of the Establishing IGA are PPRTA funds and shall not be deemed the revenue or expenditures of the Town.

5.1.C. Capital Project Accounting: The PPRTA shall establish accounting records sufficient to track the Town's capital project as designated in Subsection 5.1.A. hereinabove. The master plan list of capital projects approved by the PPRTA electors to be performed pursuant to and in accord with the Establishing IGA is identified herein in Exhibit A, which is attached hereto and hereby made a part of this IGA.

5.1.D. Contracting And Payment:

5.1.D.1. The Town or its agent shall act as the PPRTA's contracting agent to advertise and let the PPRTA funded capital project contract within the Town, which capital project is identified on Exhibit A of this IGA and which contract has been approved by the Board. Upon Board approval and PPRTA execution, the Town or its agent shall execute the PPRTA funded capital project contract. The Town or its agent as contracting agent for the PPRTA and, in the instance of a joint project, also on the Town's own behalf, shall administer the capital project contract and shall process all invoices under that contract for payment by the PPRTA. It is agreed between the PPRTA and the Town that the PPRTA contract for the capital project involving the capital project identified on Exhibit A which is within the jurisdiction of, or on property controlled by the Town shall be designed, advertised, let, and executed in accord with this IGA, the Town's or its agent's procurement regulations, rules and policies, and, where federal or state funding is involved, applicable federal or state regulations. The capital contract shall be let in the name of the PPRTA and the Town or its agent. The contract and surety shall be written in accord with the Town's or its agent's regulations and subject to approval by the Board and, as to form, by the Town Attorney. All warranties and sureties shall name both the PPRTA and the Town or its agent as co-beneficiaries. All contract invoices shall be processed pursuant to Section 5.1.E. below. Neither Party shall have responsibility to provide or pay any contract obligation of the other Party.

5.1.D.2. Upon written agreement signed by the Parties, the Town may advance funds by zero percent (0%) interest loan to the PPRTA under this IGA to facilitate capital project cash flow issues, which loaned funds shall be reimbursed to the Town from PPRTA funds collected pursuant to the Establishing IGA. An addendum shall be attached to this IGA for each such loan which shall state the terms of the loan.

5.1.D.3. It is the Parties' intention that any and all incidence of ownership in real or personal property shall vest in the Town. To the extent the PPRTA may have or claim an ownership interest, ownership of all facilities constructed, all maintenance and repair work done, all equipment, and all other assets acquired under contracts issued under this IGA, along with any and all warranties and sureties, shall be deemed to have perpetually and automatically transferred from the PPRTA to the Town free and clear of any liens or encumbrances. In the event it becomes necessary to acquire easements, rights-of-way, or ownership of property, by condemnation or otherwise, the Town shall acquire in the Town's name the property interest needed, however, all costs of the condemnation or other acquisition shall be paid by the PPRTA as a part of the approved capital project costs and shall not be considered or deemed to be revenue or expenditures of the County. Upon written agreement signed by the Parties, the Town may advance funds by zero percent (0%) interest loan to the PPRTA for the purpose of acquiring property by condemnation or otherwise and paying the costs thereof, which loaned funds shall be reimbursed to the Town from PPRTA funds collected pursuant to the Establishing IGA. An addendum shall be attached to this IGA for each such loan which shall state the terms of the loan.

5.1.E. Joint Capital Projects: In the event a capital project is a joint project between the Town and the PPRTA which involves the expenditure of federal or state grant funds provided to the Town or Town funds, then the Town shall process the contract invoices, attach to the invoice a warrant for the Town's share of payment for that invoice, and then forward that invoice and warrant to the PPRTA. Upon PPRTA approval of the PPRTA portion of the invoice, the PPRTA shall thereafter attach the PPRTA's payment to the invoice and pay the invoice to the Town or directly to the vendor, contractor(s) and or materialmen identified in the invoices.

5.1.F. Contract Change Orders/Overruns. Nothing in this IGA shall be interpreted to mean that the Town has actual or implied authority to authorize an increase in a capital project budget or contract such that the amount of the PPRTA budget obligation shall be increased or the PPRTA amount due under the contract shall exceed the approved contract price. Any change in the capital project contract price shall be subject to prior approval by the Board, excepting change orders for the capital project contract price that individually or in the aggregate with all other change orders for that capital project contract do not exceed 15% or \$100,000, whichever is less (or unless otherwise approved by the Board on an individual contract basis), so long as the capital project contract as changed remains within the scope (the Town's capital project contract plans, specifications and estimates documents, hereinafter the "Scope") of the capital project contract and the annual PPRTA approved budget for that capital project. All changes, including but not limited to additions and/or deletions, which are not insignificant to the Scope, design and/or requirements of a capital project contract shall be subject to prior Board approval. The Town shall inform the Board of changes not subject to prior Board approval by advisement thereof at the Board meeting next following each change. To the

extent the capital project contract change order or overrun could or shall cause the contract price to exceed the annual PPRTA approved budget for that capital project, the amount in excess shall be the responsibility of and funded solely by the Town from non-PPRTA funds. The aforementioned procedure may be waived by the Board in extraordinary circumstances.

5.2. Maintenance Programs.

5.2.A. Annual Designation of Maintenance Programs and Appropriation of Funds: Prior to March 15, 2005 for calendar year 2005, and thereafter prior to December 31 of the preceding year for each calendar year beginning with year 2006, the Town shall submit to the Board for approval a proposed annual budget for maintenance programs sponsored by the Town to be funded by the PPRTA within the Town. The Board, after consultation with the Town, shall appropriate and budget such funds as the Board has determined necessary and in accord with the Establishing IGA for the purpose of paying the costs of the maintenance programs and shall record the budget for each maintenance program in a separate maintenance program designation within PPRTA's financial accounting system. Each annual description and PPRTA approved annual budget shall become a part of this IGA as an attachment.

5.2.B. All Costs To Be Paid By the Town: The Parties agree that all costs of maintenance programs undertaken by the Town authorized under this IGA and pursuant to Section 5.2 of the Establishing IGA are Town costs, funded with revenues collected by PPRTA and disbursed to the Town pursuant to the Establishing IGA, except to the extent any maintenance programs may be partially funded by federal or state funds, or other funds received by the Town. The Parties agree that the Town shall provide initial administration of all claims pertaining to PPRTA-funded Town maintenance programs and against the Town and/or the PPRTA. The Town shall not hereby indemnify the PPRTA nor is the Town empowered to defend or control the PPRTA's defense against such claims, which control shall remain in the PPRTA and its insurer as appropriate. The Parties further agree that payment of any legal defense costs and any judgments, fines, settlements, or fees whatsoever levied pursuant to performance of this IGA are the responsibility of the Party lawfully held responsible for them, and the Board may elect to allocate such costs against the maintenance program funds. All funds expended for maintenance programs under this IGA pursuant to Section 5.2 of the Establishing IGA are PPRTA funds and shall not be deemed the revenue or expenditures of the Town.

5.2.C. Maintenance Program Accounting: The PPRTA shall establish accounting records sufficient to track the Town's maintenance programs as designated in Subsection 5.2.A. hereinabove.

5.2.D. Contracting And Payment:

5.2.D.1. The Town, or its agent, shall advertise, let, and execute all PPRTA funded maintenance program contracts within the Town and shall process all invoices under those contracts for payment by the Town with maintenance

program funds disbursed to it by PPRTA. It is agreed between the PPRTA and the Town that all PPRTA contracts for maintenance programs which are within the jurisdiction of, or on property controlled by the Town shall be designed, advertised, let, and executed in accord with this IGA, the Town's or its agent's procurement regulations, rules and policies, and, where federal or state funding is involved, applicable federal or state regulations. The PPRTA shall not be a party to the maintenance programs.

5.2.D.2. Upon written agreement signed by the Parties, the Town may advance funds by zero percent (0%) interest loan to the PPRTA under this IGA to facilitate maintenance program cash flow issues, which loaned funds shall be reimbursed to the Town from PPRTA funds collected pursuant to the Establishing IGA. An addendum shall be attached to this IGA for each such loan which shall state the terms of the loan.

5.2.D.3. It is the Parties' intention that any and all incidence of ownership in real or personal property shall vest in the Town. To the extent the PPRTA may have or claim an ownership interest, ownership of all facilities constructed, all maintenance and repair work done, all equipment, and all other assets acquired under contracts issued under this IGA, along with any and all warranties and sureties, shall be deemed to have perpetually and automatically transferred from the PPRTA to the Town free and clear of any liens or encumbrances. In the event it becomes necessary to acquire easements, rights-of-way, or ownership of property, by condemnation or otherwise, the Town shall acquire in the Town's name the property interest needed. Upon written agreement signed by the Parties, the Town may advance funds by zero percent (0%) interest loan to the PPRTA for the purpose of acquiring property by condemnation or otherwise and paying the costs thereof, which loaned funds shall be reimbursed to the Town from PPRTA funds collected pursuant to the Establishing IGA. An addendum shall be attached to this IGA for each such loan which shall state the terms of the loan.

5.3. General Records Requirements:

5.3.A. Books of Account & Auditing: The Parties shall make available to each other if requested, true and complete records which support payments, cash receipts, investments, other reports, performance indices, and all other related documentation. The Parties' authorized representatives shall have access during reasonable hours to all records, which are deemed appropriate to auditing monthly statements, reports, performance indices, and all other related documentation. The Parties agree that they will keep and preserve for at least seven years all documents related to this IGA which are routinely prepared, collected or compiled by the Parties and their agents during the performance of this IGA.

5.3.B. Audits: The Parties' auditors shall have the right at any time to audit all of the related documentation for the IGA. The Parties shall make all documentation available for examination at the auditor's request at either the auditor's or the Parties' offices, and

without expense to the requesting Party. In addition, the Parties shall make all documentation available for examination for any audit of federal, state or other granting organizations that may be conducted related to any grant activity.

5.3.C. Monthly Statements: PPRTA shall provide, within twenty (20) calendar days after the close of each calendar quarter, in a form reasonably satisfactory to the Town, such information as is available including, but not limited to, total cash receipts for the month, cash flow amounts for capital projects and maintenance programs for the Town, interest accruals credited to the Town, and budget to actual statements. PPRTA shall provide, within twenty (20) calendar days after the close of each calendar month a balance sheet and income statement, and within ninety (90) calendar days after the close of each PPRTA fiscal year shall provide audited financial statements to the Town. The Town reserves the right to require the submission of other information related to the PPRTA activities for the Town.

5.3.D. Town Status Report: The Town shall provide, within fifty (50) calendar days after the close of each calendar quarter, a status report on capital projects and maintenance programs. The PPRTA reserves the right to require the submission of other information related to the Town activities funded by the PPRTA.

5.3.E. Reviews And Records Requirements: To the extent not provided for in this Section 5.3 above, the Parties shall maintain all records of the activities pursuant to this IGA as may be required by federal or local law, and shall make all records available to federal, state, Town and PPRTA auditors and agents upon request.

SECTION 6 - GENERAL TERMS AND CONDITIONS:

6.1. Assignment: The PPRTA shall not assign or otherwise transfer this IGA or any right or obligation hereunder without the prior written consent of the Town. The Town shall not assign or otherwise transfer this IGA or any right or obligation hereunder without the prior written consent of the PPRTA.

6.2. Law: This IGA is subject to and shall be interpreted under the law of the State of Colorado, and the Municipal Code, Ordinances, Rules and Regulations of the Town of Green Mountain Falls and the Resolutions and Rules and Regulations of the PPRTA. Court venue and jurisdiction shall exclusively be in the Colorado District Court for El Paso County, Colorado.

6.3. Appropriation and availability of funds:

6.3.A. To the extent required by law, performance of the Town's obligations under this IGA are expressly subject to appropriation of funds by the Green Mountain Falls Town Board.

6.3.B. To the extent required by law, performance of the PPRTA's obligations under this IGA are expressly subject to appropriation of funds by the PPRTA.

6.4. Intellectual Property Rights: The Parties hereby agree, and acknowledge, that all products, items writings, designs, models, examples, or other work product produced pursuant to this IGA are and shall be the property of the Town, and that the Town owns, has, and possesses any and all ownership rights and interests to any intellectual property made or produced under or pursuant to this IGA, including any and all copyright, trademark, or patent rights, and that compensation to the PPRTA for agreement and acknowledgment of this Intellectual Property Rights section of this IGA is included in the Consideration rendered to the PPRTA by the Town in agreeing to this IGA. It is the intent of the Parties that the Town shall have full ownership and control of the products produced pursuant to this IGA, and the PPRTA specifically waives and assigns to the Town all rights which the PPRTA may have under the 1990 Visual Artists Rights Act, federal, and state law, as now written or later amended or provided. In the event any products, items drawings, designs, models, examples, or other work product produced pursuant to this IGA is deemed by a court of competent jurisdiction not to be transferred to or owned by the Town, this Intellectual Property Rights provision shall act as a irrevocable assignment to the Town by the PPRTA of any and all copyrights, trademark rights, or patent rights in the products, items writings, designs, models, examples, or other work product produced pursuant to this IGA, including all rights in perpetuity. Under this irrevocable assignment, The PPRTA hereby assigns to the Town the sole and exclusive right, title, and interest in and to the products, items writings, designs, models, examples, or other work product produced pursuant to this IGA, without compensation, and agrees to assist the Town in registering and from time to time enforcing all copyrights and other rights protection relating to the products, items writings, designs, models, examples, or other work product in any and all countries. It is the PPRTA's specific intent to assign all right, title, and interest whatsoever in any and all copyrights rights in the products, items writings, designs, models, examples, or other work product produced pursuant to this IGA, in any media and for any purpose, including all rights of renewal and extension, to the Town. To that end, the PPRTA agrees to execute and deliver all necessary documents requested by the Town in the connection therewith and hereby grants to the Town all rights to execute, register, and file any such applications, and to do all other lawfully permitted acts to further the registration, prosecution, issuance, renewals, and extensions of copyrights or other protection with the same legal force and effect as if executed by the PPRTA; further, the Parties expressly agree that the provisions of this Intellectual Property Rights section shall be binding upon the Parties and their successors, and assigns. However, notwithstanding any other provision of this paragraph 6.4, the PPRTA Board shall have full access to all plans and other drawings.

6.5. Termination: The Town may, by Board Resolution, terminate this IGA for convenience, without compensation to the PPRTA, upon thirty days prior written notice to the PPRTA. The PPRTA Board of Directors may, by Board Resolution, terminate this IGA for convenience, without compensation to the Town, upon thirty days prior written notice to the Town. Further, the PPRTA Board of Directors and the Town Board may terminate this IGA by mutual agreement. Any agreed upon termination shall be in writing and shall be by Town Board and PPRTA Board Resolutions.

6.6. Local Concern: The Parties agree and acknowledge that the activities contained in this IGA are matters of local concern only, and that the Parties have mutually joined together for the performance of the matters of local concern, and that nothing in this IGA shall or be construed as making any of the local concerns covered herein matters of mixed concern or statewide concern.

6.7. Entire Agreement: This IGA, together with all exhibits attached hereto, constitutes the entire agreement between the Parties hereto, and all other representations or statements heretofore made, verbal or written, are merged herein, and this IGA may be amended only in writing as approved by the Town Board and the PPRTA Board, and executed by duly authorized representatives of the Parties hereto. Further, the PPRTA and the Town acknowledge and agree that this is a negotiated text agreement, and that as such no term shall be construed against either Party as the author thereof.

6.8. Nonwaiver of Rights: No waiver of default by one of the Parties of any of the terms, covenants, and conditions hereof to be performed, kept, and observed by the other Party shall be construed, or shall operate, as a waiver of any subsequent default of any of the terms, covenants, or conditions herein contained to be performed, kept, and observed by the other Party.

6.9. Force Majeure: In the event of either Party being rendered unable wholly, or in part, by force majeure to carry out its obligations under this IGA, other than its obligations to make payments of money due hereunder, then on such Party's giving notice and full particulars of such force majeure in writing to the other Party as soon as possible after the occurrence of the cause relied on, then the obligation of the Party giving such notice, so far as it is affected by such force majeure, shall be suspended during the continuance of any inability so caused, but for no longer period, and such cause shall, as far as possible, be remedied with all reasonable dispatch. The term "force majeure" as employed herein shall mean acts of God, acts of the public enemies, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, storms, and floods.

6.10. Headings: The headings of the several articles and sections of this IGA are inserted only as a matter of convenience and for reference and do not define or limit the scope or intent of any provisions of this IGA and shall not be construed to affect in any manner the terms and provisions hereof or the interpretation or construction thereof.

6.11. Integration: This is a completely integrated IGA and contains the entire agreement between the Parties. Any prior written or oral agreements or representations regarding this IGA shall be of no effect and shall not be binding on the PPRTA or the Town. Further, the PPRTA and the Town acknowledge and agree that this is a negotiated text agreement, and that as such no term shall be construed against either Party as the author thereof.

6.12. No Third Party Beneficiary: It is expressly understood and agreed that enforcement of the terms and conditions of this IGA, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties hereto, and nothing contained in this IGA shall give or allow any such claim or right of action by any other or third person or entity on such IGA. It is the express intention of the Parties hereto that any person or entity, other than the Parties to this IGA, receiving services or benefits under this IGA shall be deemed to be incidental beneficiaries only.

6.13. Waiver: The Parties hereby waive, remise, and release any claim, right, or cause of action each may have, or which may accrue in the future, excepting claims arising from gross negligence or intentional tort, arising in whole or in part from this IGA. Nothing in this

paragraph shall be construed as to create a waiver of any protections available to any Party to this Agreement under the Colorado Governmental Immunities Act.

6.14. Compensation: Except as otherwise stated in this IGA, neither Party to this IGA shall be required to pay any compensation to the other Party or the other Party's personnel for any services rendered hereunder. Nothing in this IGA shall be construed to place the personnel of any Party under the control or employment of another Party. Each Party remains responsible for all pay, entitlement, employment decisions, and worker's compensation liabilities, for its own personnel. Nothing in this IGA is intended to create or grant to any third party or person any right or claim for damages or the right to bring or maintain any action at law, nor does any Party waive its immunities at law, including immunity granted under the Colorado Governmental Immunity Act.

6.15. This IGA has been approved by the Parties in accord with Section 29-1-203 C.R.S. by the Town Board of Directors and the PPRTA Board of Directors through Resolutions, to be attached for reference hereto as Exhibits B and C, which resolutions authorize the signatures below.

6.16. This IGA shall not be construed to create a duty as a matter of law or contract for the provision of services by either the Town or the PPRTA, nor shall this IGA be construed as creating a benefit or enforceable right for any person. Nor shall this IGA be construed to create a duty as a matter of law or contract for either of the Parties to assume any liability for injury, property damage, or any other damage that may occur by any action or non-action taken, or service provided to the public or any person, as a result of this IGA.

February 14, 2007

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE PIKES PEAK RURAL TRANSPORTATION AUTHORITY:
